EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

1. **INSURING CLAUSE:**

Subject to the limitations, terms and conditions contained in this Policy or added hereto, the Insurer(s) agree to indemnify the Insured named in The Schedule herein in respect of Direct Physical loss or damage to the property described in Item 5 of The Schedule, while located or contained as described in The Schedule, occurring during the period stated in The Schedule and caused by any of such perils as are set forth in Item 4 of The Schedule and which are also covered by and defined in the Policy(ies) specified in The Schedule and issued by the "Primary Insurer(s)" stated therein.

2. **APPLICATION OF UNDERLYING PROVISIONS:**

In respect of the perils hereby insured against this Policy is subject to the same warranties, terms and conditions (except as regards the premium, the amount and Limits of Liability other than the deductible or self-insurance provision where applicable, and the renewal agreement, if any, AND EXCEPT AS OTHERWISE PROVIDED HEREIN) as are contained in or as may be added to the Policy(ies) of the Primary Insurer(s) prior to the happening of a loss for which claim is made hereunder and should any alteration be made in the premium for the Policy(ies) of the Primary Insurer(s), then the premium hereon may be adjusted accordingly.

3. **LIMIT:**

Provided always that liability attaches to the Insurer(s) only after the Primary and Underlying Excess Insurer(s) have paid or have admitted liability for the full amount of their respective liability as set forth in Item 8 and/or 9 of The Schedule and designated "Primary and Underlying Excess Limit(s)" and then the limits of the Insurer(s) Liability shall be those set forth in Item 8 and/or 9 of The Schedule under the designation "Underlying Excess Limit(s)" and the Insurer(s) shall be liable to pay up to the full amount of such "Underlying Excess Limit(s)".

4. **MAINTENANCE OF PRIMARY AND UNDERLYING EXCESS POLICY/IES AND LIMITS:**

It is a condition precedent to recovery under this Policy that the Policy(ies) and Limit(s) of the Primary and Underlying Excess Insurer(s) set forth in Item 8 and/or 9 of The Schedule be maintained in full force and effect, except for any reduction or exhaustion of any underlying aggregate Limits of Liability contained therein, solely by the amount of loss(es) paid or admitted during the policy term.

There is no recovery under this excess policy as respects those coverages which are sub-limited within the primary and/or underlying excess policy(ies) to amounts less than the amount indicated in item 8 of the Schedule, however, the Insurer(s) to this excess policy recognize that the primary and underlying excess policy limits can be eroded or exhausted, wholly or partially, by application of said sub-limits.

In the event of such reduction of the aggregate Limits of Liability of the Primary and Underlying Excess Insurance's this Policy shall pay excess over the reduced aggregate limit. In the event of exhaustion of aggregate Limits of Liability of the Primary and Underlying Excess Insurance's this Policy, subject to all its provisions, shall continue in force as Primary Insurance in respect to perils covered by this policy for which the aggregate Limit of Liability has been so exhausted and the deductible or self-insured amount applicable to that peril, as set forth in Item 8 of the Schedule, shall apply to this Policy.

5. **UNCOLLECTIBILITY OF OTHER INSURANCE:**

Notwithstanding any of the terms of this Policy that might be construed otherwise, the insurance provided by this Policy shall always be excess over the maximum monetary limits set forth in Item 8 and/or 9 of The Schedule (reduced only by reduction of any underlying aggregate limits as provided for in Clause 4 herein) regardless of the uncollectibility (in whole or in part) of any underlying insured amounts for any reason, including, but not limited to, the financial impairment or insolvency of an underlying Insurer(s).

The risk of uncollectibility (in whole or in part) of other insurance, whether because of financial impairment or insolvency of an underlying or other insurer(s) or for any other reason, is expressly retained by the Insured and is not in any way or under any circumstances insured or assumed by Insurer(s).

EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

In the event of the bankruptcy or insolvency, or other financial impairment, of any underlying insurer, this policy shall not be liable for the obligations of the underlying policy. This policy shall apply as if the underlying insurance were valid and collectible. This insurance shall not replace the underlying insurance.

6. **DEFINITIONS:**

(a) Loss: The word "loss" shall mean each and every covered loss or series of covered losses arising out of one occurrence.

(b) Ultimate Net Loss: The words "Ultimate Net Loss" shall mean the covered loss sustained by the Insured as a result of each and every loss or series of covered losses arising out of one occurrence limited by

(i) any sub-limits contained within this Policy or the Policy(ies) of the Primary and/or Underlying Excess Insurer(s), and

(ii) making deductions for all salvages, recoveries and other insurance's (other than recoveries under the Policy(ies) of the Primary and Underlying Excess Insurer(s)).

(c) Policy Term: The words "policy term" shall be understood to mean the period of Item 3 of The Schedule.

7. **APPLICATION OF RECOVERIES:**

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and the Insurer(s), provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not recoverable until the Insured's ultimate net loss has been finally ascertained.

8. **CANCELLATION:**

This insurance may be cancelled by the Insured at any time by written notice or by surrender of this Policy. This insurance may also be cancelled by or on behalf of the Insurer(s) by delivering to the Insured or by mailing to the Insured, by registered, certified or other first class mail, at the Insured's address as shown in this insurance written notice stating when, not less than ninety (90) days thereafter, the cancellation shall be effective. The mailing of such notice as aforesaid shall be sufficient proof of notice and this insurance shall terminate at the date and hour specified in such notice.

If this insurance shall be cancelled by the Insured, the Insurer(s) shall retain the customary short rate proportion of the premium hereon, except that if this insurance is on an adjustable basis, the Insurer(s) shall receive the earned premium hereon, or the customary short rate proportion of any minimum premium stipulated herein, whichever is the greater.

If this insurance shall be cancelled by or on behalf of the Insurer(s), the Insurer(s) shall retain the pro rata proportion of the premium hereon, except that if this insurance is on an adjustable basis the Insurer(s) shall receive the earned premium hereon, or the pro rata proportion or any minimum premium stipulated herein, whichever is the greater.

Payment or tender of unearned premium by the Insurer(s) shall not be a condition precedent to the effectiveness of cancellation but such payment shall be made as soon as practicable.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

Notwithstanding anything contained in Item 8 CANCELLATION of the wording to the contrary, in the event of nonpayment of the Premium stated in the Schedule, Insurer(s) may cancel this Insurance with written notice to the Insured stating when, not less than ten (10) days thereafter, the cancellation shall be effective.

EXCESS PHYSICAL DAMAGE FORM
(U.S.A. AND CANADA)

9. **NOTIFICATION OF CLAIMS:**

The Insured upon knowledge of any occurrence likely to give rise to a claim hereunder shall give immediate written advice thereof to the person(s) or firm named for the purpose in Item 10 of The Schedule.

10. **PRIORITY OF PAYMENT:**

Notwithstanding anything contained herein to the contrary it is hereby agreed that in the event of a claim hereunder which involves more than one interest and/or coverage and/or peril, it shall be at the sole option of the Insured to apportion recovery under this policy when submitting final proof of loss, subject to the overall amount of claim not exceeding the overall limit of liability contained herein for any one loss.

For the purpose of attachment of coverage for excess layers, it is further agreed that loss involving any interest and/or peril covered in primary or underlying excess layers, but excluded in higher excess layers, shall be recognized by such excess layers as eroding or exhausting the occurrence limits of the primary and/or underlying excess layer(s). Nothing herein, however, shall be deemed to extend coverage in such layers(s) to include loss from the specifically excluded peril in the excess layer(s) itself.

11. **OCCURRENCE LIMIT OF LIABILITY:**

The Limit of Liability or Amount of Insurance shown on the face of this policy, or endorsed onto this policy, is the total of the Insurer(s) liability applicable to each occurrence, as hereafter defined. Notwithstanding any other terms and conditions of this policy to the contrary, in no event shall the liability of the Insurer(s) exceed this limit or amount irrespective of the number of locations involved.

The term "occurrence" shall mean any one loss, disaster, casualty or series of losses, disasters, or casualties, arising out of one event. When the term applies to loss or series of losses from the perils of tornado, cyclone, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion, and vandalism and malicious mischief, one event shall be considered to be all losses arising during a continuous period of 72 hours. When filing proof of loss, the Insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than the first loss to any covered property occurs.

The premium for this policy is based upon the Statement of Values on file with the Insurer(s), or attached to this policy. In the event of loss hereunder, liability of the Insurer(s), subject to terms of paragraph one (1) above, shall be limited to the least of the following:

- a. The actual adjusted amount of loss, less applicable deductible(s).
- b. 100% of the individually stated value for each scheduled item of property involved, as shown on the latest statement of Values on file with Insurer(s), less applicable deductible(s).
- c. The Limit of Liability or Amount of Insurance shown on the face of this policy or endorsed onto this policy.

12. **PERMISSION FOR EXCESS INSURANCE**

Permission is hereby granted to purchase insurance in excess of the amount [Limit of Liability] stated in this policy. Such excess insurance shall not be considered other insurance for the purposes of the "Other Insurance" clause.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

THIS ENDORSEMENT MODIFIES INSURANCE PROVIDED UNDER THE FOLLOWING:

COMMERCIAL PROPERTY COVERAGE PART COMMERCIAL INLAND MARINE COVERAGE PART

The following provisions and exclusions apply to the policy; supersede any term, provision or endorsement to the contrary in this policy; and apply notwithstanding any such term, provision or endorsement in this policy or in any underlying, contributing or followed policy to the contrary:

For the purposes of this endorsement, the word “we” refers to the Company providing this insurance.

A. FUNGUS, WET ROT, DRY ROT AND BACTERIA EXCLUSION

The following exclusion is added and replaces any other Fungus or Mold Exclusion applicable to this policy:

We will not pay for loss, or physical loss or damage, caused directly or indirectly by any of the following. Such loss, or physical loss or damage, is excluded regardless of any cause or event that contributes concurrently or in any sequence to the loss, or physical loss or damage:

1. the presence, growth, proliferation, spread or activity of “fungus”, wet rot, dry rot or bacteria. But if “fungus”, wet rot, dry rot or bacteria results in a “specified cause of loss”, we will pay for loss or damage caused by that “specified cause of loss”. This exclusion does not apply when “fungus”, wet rot, dry rot or bacteria results from fire or lightning;
2. the enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by “pollutants” or due to the presence, growth, proliferation, spread or any activity of “fungus”, wet rot, dry rot or bacteria; or
3. the cost associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “pollutants”, “fungus”, wet rot, dry rot or bacteria.

This exclusion does not apply to the extent coverage is provided under the Fungus, Wet Rot, Dry Rot And Moss Coverage Extension contained in this endorsement.

B. FUNGUS, WET ROT, DRY ROT AND MOSS COVERAGE EXTENSION

The following Coverage Extension applies to this policy and replaces any other Fungus or Mold additional coverage or coverage extension contained elsewhere in this policy:

1. We will pay for direct physical loss or damage to covered property caused by “fungus”, wet rot, dry rot or moss, including:
 - a. the cost of removal of the “fungus”, wet rot, dry rot or moss;
 - b. the cost to tear out and replace any part of the building or other property as needed to gain access to the “fungus”, wet rot, dry rot or moss; and

- c. the cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided that there is a reason to believe that “fungus”, wet rot, dry rot or moss are present.
2. This Coverage Extension only applies when the “fungus”, wet rot, dry rot or moss are the result of one or more of the following causes of loss that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:
 - a. a “specified cause of loss” other than fire or lightning; or
 - b. flood, if flood is a peril covered under this policy.

The most we will pay under this Coverage Extension is \$15,000 or the limit for such coverage as stated elsewhere in this policy, whichever is greater. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of “specified causes of loss” (other than fire or lightning) and flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in “fungus”, wet rot, dry rot or moss, we will not pay more than a total of \$15,000, or the limit for such coverage as stated elsewhere in this policy, whichever is greater, even if the “fungus”, wet rot, dry rot or moss continue to be present or active, or recur, in a later policy period.

C. DEFINITIONS

The following definitions are added to this policy and replace any other similar definitions contained elsewhere in this policy:

“Fungus” means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or byproducts produced or released by fungi.

“Specified cause of loss” means: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice, or sleet; or water damage.

“Pollutants” means any solid, liquid, gaseous or thermal irritant or contaminant, including vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

This endorsement may be attached to a coverage form or an endorsement with a different definition from the listed definitions. If there is a different definition, that definition does not apply to this endorsement.

The following definition is added to this policy; supersedes any other definition, express or implied, of the term "Loss Occurrence" in any term, provision or endorsement to this policy; and applies notwithstanding such term, provision or endorsement:

1. "Loss Occurrence" means the sum of all individual losses arising out of and directly caused by any one disaster, accident or loss or series of disasters, accidents or losses arising out of one event which occurs anywhere within the Coverage Territory. The duration and extent of any one Loss Occurrence will be limited to all individual losses sustained by the Insured occurring during any period of 72 consecutive hours arising out of and directly caused by the same event, except:
 - A. As regards Windstorm (including Tier 1 Counties), Flood, Hail or Tornado, including ensuing collapse, Flood and Water Damage: all individual losses sustained by the Insured occurring during any period of 96 consecutive hours arising out of and directly caused by the same event.
 - B. As regards the perils of riot, strike or civil commotion, vandalism and malicious mischief, including losses from all other perils covered hereunder following as a result of the aforesaid perils: all losses or series of losses occurring during any period of 72 consecutive hours arising out of and directly caused by the same event. The maximum duration of 72 consecutive hours may be extended in respect of individual losses which occur beyond such 72 consecutive hours during the continued occupation of the Insured's premises by strikers, provided such occupation commenced during the aforesaid period.
 - C. As regards the peril of Earthquake, including losses from all other perils covered hereunder following as a result of Earthquake: only those individual losses covered hereunder, which commence during the period of 168 consecutive hours, may be included in the Loss Occurrence.
 - D. As regards the peril of freeze: only those individual losses directly caused by collapse, breakage of glass, water and/or liquid damage due to burst pipes tanks or pressure vessels; damage to machinery or equipment, stock and/or work in progress due to freeze; and/or individual losses arising directly out of the lack of supply of power, current, coolant and/or fuel due to frozen pipes and/or frozen feed lines may be included in the Loss Occurrence.

Except for those Loss Occurrences referred to in sub-paragraphs A. and B. above, the Insured may chose the date and time when such period of consecutive hours commences, provided that it is not earlier than the date and time of the occurrence of the first recorded individual loss sustained by the Insured arising out of that disaster, accident or loss and provided that only one such period of consecutive hours will apply with respect to one event.

However, as respects those Loss Occurrences referred to in sub-paragraphs A. and B. above, if the disaster, accident or loss occasioned by the event is of greater duration than the specified period of consecutive hours, then the Insured may divide that disaster, accident or loss into two or more Loss Occurrences, provided no two periods overlap and no individual loss is included in more than one such period and provided that no period commences earlier than the date and time of the occurrence of the first recorded individual loss sustained by the Insured arising from that disaster, accident or loss.

However, we shall not be liable hereunder for any loss or damage:

- a) Occurring before this policy becomes effective; or
- b) Arising from an "occurrence" which is in progress at the time this policy becomes effective, even if such loss or damage occurs after this policy becomes effective; or
- c) Occurring after the expiration of this policy, except loss or damage arising from an "occurrence" in progress at the time this policy expires.

This provision in no way alters any Policy Limit of Liability or Sub-limit of Liability.

All other terms and conditions remain unchanged.

COMMERCIAL PROPERTY COVERAGE PART

COMMERCIAL INLAND MARINE COVERAGE PART

The following provisions and exclusions apply to the policy; supersede any term, provision or endorsement to the contrary in this policy; and apply notwithstanding any such term, provision or endorsement in this policy or in any underlying, contributing or followed policy to the contrary:

1. PROPERTY NOT COVERED

In addition to any other provisions respecting Property not covered, this policy is amended as follows:

This policy does not cover land (including land on which covered property is located) or water.

2. EXCLUSION

The following exclusion is added and replaces any other Pollution Exclusion applicable to this policy.

This policy does not cover loss or damage caused by or resulting from any of the following:

Discharge, dispersal, seepage, migration, release or escape of "Pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "Specified Causes of Loss", provided such "Specified Causes of Loss" are otherwise covered by this policy. But if the discharge, dispersal, seepage, migration, release or escape of "Pollutants" results in a "Specified Cause of Loss", this policy will cover the loss or damage caused by that "Specified Cause of Loss" provided such "Specified Causes of Loss" are otherwise covered by this policy.

3. DEBRIS REMOVAL

If any Debris Removal coverage is included in this policy, this policy is amended as follows:

Debris Removal coverage does not apply to costs to:

- (a) Extract "pollutants" from land or water; or
- (b) Remove, restore or replace polluted land or water.

4. TIME ELEMENT

In the event that Time Element coverage is provided elsewhere in this policy or endorsed hereto, the term "Period of Restoration", "Period of Recovery", "Period of Interruption", "Period of Liability" or any similar term which defines the time period for which loss is covered shall not include any increased periods of time due to the enforcement of laws regulating the prevention, control, repair, clean-up or restoration of environmental damage.

5. POLLUTANT CLEANUP AND REMOVAL

The following Coverage Extension applies to this policy and replaces any other Pollutant Cleanup and Removal additional coverage or coverage extension contained elsewhere in this policy:

We will pay your reasonable and necessary expense to extract "pollutants" from land or water if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Coverage Extension does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Coverage Extension is \$10,000 or the limit for such coverage as stated elsewhere in this Policy, whichever is greater, for the sum of all covered expenses arising out of Covered Causes of Loss occurring during the policy period or during each separate 12-month period of this policy if this policy is for a term greater than 12 months.

6. DEFINITIONS

The following definition is added to this policy and replaces any other definition of "pollutants" contained elsewhere in this policy:

"Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

"Specified Causes of Loss" means the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

- (a) Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - a. The cost of filling sinkholes; or
 - b. Sinking or collapse of land into man-made underground cavities.
- (b) Falling objects does not include loss or damage to:
 - a. Personal property in the open; or

- (c) Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.
- (d) Volcanic action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

The following provisions are added to this policy; supersede any term, provision or endorsement to the contrary in this policy; and apply notwithstanding such term, provision or endorsement:

The First Named Insured is the party identified as such on the Declarations to this Policy and in the above "First Named Insured" field of this endorsement.

At the request of the First Named Insured and pursuant to certain provisions of this Policy, the insurance afforded by this Policy may extend to the interests of one or more third parties. Such third party may be added to this Policy as an "insured," "named insured," "additional named insured," "additional insured," "loss payee," "mortgagee" or "lender loss payee," or a third party may qualify for coverage of their interests under one more provisions of this Policy without being specifically identified by name. (Whether such parties' interests are covered by this Policy shall be determined according to the applicable terms and conditions of this Policy and nothing in the conditions of this endorsement shall be construed to grant such status or extend such coverage.) Regardless of such other parties' interests insured under this Policy, if any, this Policy constitutes an agreement exclusively between the Company and the First Named Insured, who shall always during the term of this Policy be the sole owner of this Policy.

The First Named Insured shall be solely responsible for the payment of all premiums due to the Company and will be the payee for any return premiums due from the Company.

The Company is obliged to send all notices and communications to the First Named Insured only, including but not limited to notices of cancellation and non-renewal. Sending such notices and communications to the First Named Insured shall constitute notice to all parties who interests are insured under this Policy unless a specific endorsement to this Policy, agreed to and issued by the Company, states that a specific policy notice shall be sent to another party whose interests are insured under this Policy.

The Company will adjust any loss with the First Named Insured and pay a claim to the First Named Insured and/or their designee, receipt of which will constitute a full release of the Company's liability under this Policy for the loss.

The title and any headings in this endorsement/rider are solely for convenience and form no part of the terms and conditions of coverage.

All other terms, conditions and limitations of this Policy shall remain unchanged.

The following terms and conditions are added to the policy, supersede any term or condition to the contrary in the policy, and apply notwithstanding such contrary term or condition:

If we and you disagree on the value of the property or the amount of loss, either party may request, in writing, an appraisal of the value of the property and/or the amount of loss. An appraisal may then take place only if the other party agrees in writing to participate in the appraisal process pursuant to terms of a written agreement between the parties. At a minimum, the written agreement between the parties will specify a protocol for the selection by each party of a disinterested, competent, and impartial appraiser (who does not have a financial interest in the claim and/or appraisal award, including a contingent interest in the outcome of the claim or appraisal award), the inspection of the property by the appraisers, the selection of an umpire, communications between and among the appraisers and umpire, specific itemization of each item in dispute, and an award form. If the parties cannot agree on a written agreement specifying the protocol, an appraisal will not take place.

If appraisal moves forward, the two appraisers will select an umpire, who is disinterested, competent, and impartial. If the two appraisers cannot agree to an umpire within 15 days of either appraiser proposing one or more umpires, the two appraisers may jointly request that the selection of a competent and impartial umpire be made by a judge of a court in the county of the loss or damage. If either party to the appraisal, without notice to the other party, asks a judge to select an umpire, any such umpire selection shall be invalidated and the selection of a new umpire shall be required. If the appraisers do not agree to jointly request the appointment of an umpire, either the insurer or insured can unilaterally end the appraisal with written notice to the other. The appraisers will state separately the value of the property and amount of loss. Specific itemization of each item and amount in dispute is required, including, but not limited to, building-by-building, floor-by-floor, unit-by unit, and area-by-area allocation. If the appraisers fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and the umpire's fee equally.

In connection with the appraisal proceeding, neither the appraisers nor the umpire shall have authority to decide questions of law. Neither the appraisers nor the umpire shall attempt to resolve any issue of insurance coverage, policy exclusions, compliance with the policy terms and conditions, or any issues concerning the Limits of Insurance available under the Policy.

At any time after the request for appraisal, we will retain our right to demand compliance with all applicable Duties in the Event of Loss as described in this Policy. We may require completion of any of the Duties in the Event of Loss, or any other policy condition, prior to continuance of the appraisal proceeding.

If there is an appraisal, we will still retain our right to deny the claim.

Where applicable, the parties agree that during the pendency of an appraisal all required responses and cures to any Civil Remedy Notices are extended until 30 days after the appraisal is concluded.

By voluntarily agreeing to the appraisal process, both parties acknowledge that there are irreconcilable differences that exist regarding the value of the property and/or the amount of loss. Since appraisal is voluntary, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to

Westchester

action against us.

We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this policy; and

- a.** We have reached agreement with you on the amount of loss; or
- b.** An appraisal award has been made.

All other terms and conditions remain unchanged.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

This endorsement modifies insurance provided under the following:

BOILER AND MACHINERY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
EQUIPMENT BREAKDOWN COVERAGE PART
FARM COVERAGE PART
STANDARD PROPERTY POLICY

A. Cap On Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

B. Application Of Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury---in consultation with the Secretary of Homeland Security, and the Attorney General of the United States---to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your term premium that is attributable to coverage for acts of terrorism is \$5,000, and does not include any charges for the portion of losses covered by the United States government under the Act.

- A. Any Certificate of Insurance issued in connection with this Policy will be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate. Certificates of Insurance do not amend, modify or alter any term or condition of this Policy.
- B. However, if, pursuant to a written agreement executed prior to a date of loss in question, the First Named Insured is required to add a person or entity to this Policy as an Additional Insured and Loss Payee (Loss Payee as used hereinafter includes a Mortgagee), then this Policy will be deemed to have been endorsed accordingly, subject to all other terms, conditions, limits of liability and exclusions of this Policy. Loss to Covered Property in which such Additional Insured and Loss Payee has an interest will be adjusted with the First Named Insured and payable jointly to the First Named Insured and such Additional Insured and Loss Payee. No written endorsement to this Policy will be required in order for this provision to be effective as to such person or entity subject to compliance with sub-paragraph E. below.
- C. Within ten (10) business days after the Company is notified of a loss which may be covered under this Policy, the First Named Insured or its authorized representative will provide the Company with the identities of all persons or entities with interests in the property that is subject to the loss as well as copies of the agreement requiring such person or entity be added to this Policy as an Additional Insured or Loss Payee. If the First Named Insured requires additional time to comply with this paragraph, the Company will provide extensions of time that are reasonable and appropriate for the circumstances, however, all such requests for extensions must be made in writing to the Company.
- D. If the First Named Insured does not provide the Company with the information required in paragraph C above, the Company will assume that there are no such persons or entities and the Company will not be liable for any failure to take such person or entity's interest into account in the adjustment or payment of any loss.
- E. This endorsement does not apply to persons or entities added by endorsement under the applicable Lenders Loss Payee and Mortgage Interests and Obligations provisions of this Policy. Persons or entities added as Additional Insured and Loss Payee pursuant to this endorsement do not have the same rights and obligations as the First Named Insured or Lenders Loss Payee and Mortgage Interests.

All other terms and conditions remain unchanged.
